

“Generally, there are or have been **several bottles of the same wine** in the cellar. **For each wine, the bottles in the wine cellar of VINO are numbered.** For instance, the cellar has 20 bottles numbered 1 to 20 of a Semillon from 1996 named Rumbalara. **For documentation purposes, VINO may also want to record wines for which it does not own bottles.** The bottles are **either available in the cellar or they have been tasted and emptied.**”

**Bottles** have **Number** and **Status** as its own attributes. But these are not enough to identify the bottles **UNIQUELY**.
